THROUGH THE YEARS

Yesterday's Endings . . . .

In 1976, we, the Class of "89" entered kindergarten. We made new friends, enjoyed show & tell, and had the experience of recieving our very first report card. Upon entering grade school, we went to Crucible, Central, or Nemacolin, and we left the ways of kindergarten behind. We were given our own desks & our own books too! Our first homework assignment gave us the feeling that we were really students. Later on in 4th grade, some of us tried our musical talents & joined the band. Others chose to join the chorus. Our grade school years were filled with many new experiences such as these. Finally, our sixth grade trip to Sea World made us realize that our grade school years were over. We looked ahead to 6 more years of school, which seemed like an eternity.

Upon entering high school - Junior High - we were no longer Central, Crucible, or Nemacolin kids. We were no longer divided; we had become one. We were the babies of the school again. We left recesses behind. We now had our own lockers instead of desks & different classes to go to. Our first day was full of excitement & apprehension.

Our years of Junior High brought new experiences also. We were growing up. We joined clubs, went to dances, etc. In 9th grade we recieved a title - "Freshmen". We looked up to the Seniors & anxiously awaited the day when we would be called "Seniors". It was this year that we had our first formal dance - "The Spring Fling". Our Jr. High football team was undefeated & section champs, & our field trip to Kennywood. Our sophomore year brought P.S.A.T.'s, choosing our own schedule, etc. Some of us tried out for varsity sports. Our influence was finally being felt. Junior year brought things as the Cinderella Ball, football games, parties, & also college boards. The time was almost here when we could call ourselves "Seniors". Eventually we could say, "We are Seniors". No sooner was the first day over, then Homecoming came, followed by Senior night, volleyball nights, the Sr. Prom, & finally our Sr. Trip, Sr. Banquet, & Graduation.

Our high school years have enriched our lives with many experiences. As we look back on those six years, we recall many, many precious moments. As members of the "Class of 89" turn the pages of this book, it is my hope that it will remind each one of all the special times they shared, including memories of love, laughter, & even sorrow & tears, cherished memories that this yearbook will keep aglow for many, many, years to come.

Our days at C.A.H.S. are numbered now; Graduation draws nearer. We look forward to college & jobs or possibly the military. We realize now that it is not an ending, but the beginning of a whole new life.

Tomorrow's Beginnings . . . .

So, in leaving, don't be dismayed at goodbyes for they are necessary before you can meet again, & meeting again after moments or lifetimes is certain for those who are friends.

Class Flower: Yellow Rose

Class Theme:
What Lies Behind Us & What Lies Ahead Of Us Are Tiny Matters When Compared To What Lies Within Ourselves.

Class Song: I'll Be There For You

I guess this time you're really leaving
I heard your suitcase say goodbye
And as my broken heart lies bleeding
You say true love is suicide

You say you've cried a thousand rivers
And now you're swimming for the shore
You left me drowning in my tears
And you won't save me anymore

Now I'm praying to God you'll
Give me one more chance, girl

I'll be there for you
These five words I swear to you
When you breath I want to
Be the air for you
I'll be there for you
I'd live and I'd die for you
Steal the sun from the sky for you
Words can't say what love can do
I'll be there for you

I know you know we've
Had some good times
Now they have their own hiding place
I can promise you tomorrow
But I can't buy back yesterday

And baby you know my hands are dirty
But I wanted to be your valentine
I'll be the water when you get thirsty
When you get drunk, I'll be the wine

I'll be there for you
These five words I'd swear to you
When you breath I want to
Be the air for you
I'll be there for you
I'd live and I'd die for you
Steal the sun from the sky for you
Words can't say what a love can do
I'll be there for you

And I wasn't there when
You were happy
I wasn't there when you were down
I didn't mean to miss your birthday, baby
I wish I'd seen you blow those candles out

I'll be there for you
These five words I swear to you
When you breath I want to
Be the air for you
I'll be there for you
I'd live and I'd die for you
Steal the sun from the sky for you
Words can't say what a love can do
I'll be there for you

Get to the Point!

On May 12, 1989, the seniors took their annual field trip to Cedar Point. The highlight of the day for most was riding the new roller coaster Magnum XL200 (pictured to the left). Although it was a dreary day everyone had a lot of fun.

SENIORS NIGHT OUT

Pictured above: Mrs. Gabeletto addresses the class and Mr. Sherlock and Linda Smell propose a toast.

This year's Senior Class revived an old tradition. They held a Senior Banquet at the Uniontown Holiday Inn. The evening's events included Academic Awards and everyone received a surprise award. Later in the evening, we were entertained and danced the night away to the music of QUEST. Pictured are: middle left, George Kovach presents the Social Studies Dept. Award; middle center, Ted Lessick and Mary Hathaway anxiously wait for their award. Middle right, Ted Lessick presents the English Dept. Award. It was a very enjoyable evening for all who attended.

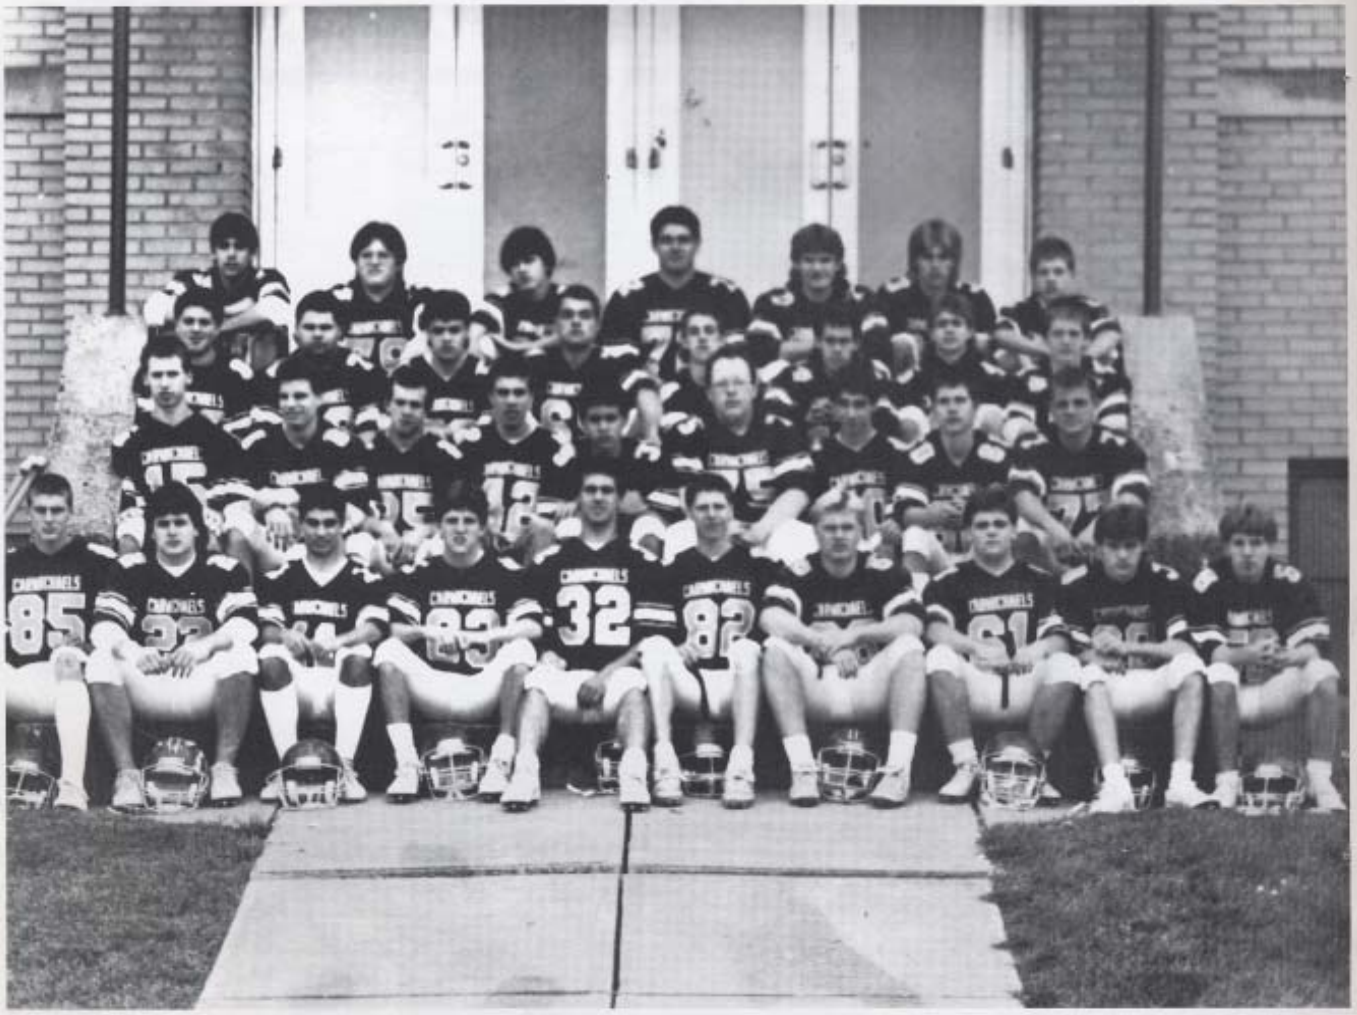
SPORTS



In the "88-89" season, the Mighty Mikes football team made many accomplishments, although the season was not full of the victories we had hoped for. The players' hard work and many long hours of practice resulted in 3 victories and other accomplishments.

One of the outstanding contributors to this year's team was Jason Voithofer, who received the Lions Club award for the outstanding senior player. He has also received recognition from the Observer — Reporter for the "88-89" All-Conference Team.

This year's Baseball Team was disappointed after being eliminated from the playoffs late in the season. The players all put in many hours of hard practice in preparation for the '88-'89 season. Although they didn't make the playoffs we are proud of our boys.

ARE YOU READY FOR A PAGEANT?

Representing our school in the 1988 Coal Queen Pageant was Chylene Ross, daughter of Mr. and Mrs. Gerald S. Ross. For her talent, Chylene performed an acro-ballet dance to "Ice Castles." She was chosen as the top beauty and evening gown winner.

Great Job and Congratulations, Chylene.

A NIGHT TO REMEMBER

Homecoming has become a tradition of every school's football season. It's a time when past and present reunite to rekindle friendships and memories of school years. Highlighting this year's homecoming was the crowning of Queen, Beth Ann DeMasse escorted by Shannon Pratt. Crowning Beth are football captains Brent Lechner, Martin Samek, and Jason Voithofer.

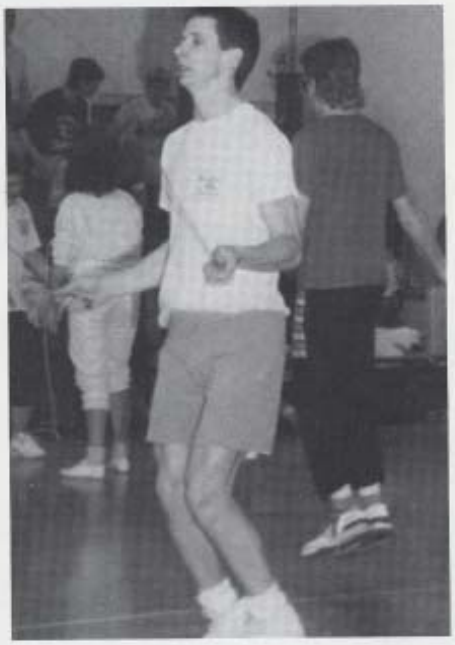
Pictured above from left to right are the 1988 Homecoming attendants and their escorts. J. Jocobs, J. Modrick, A. McKean, J. Jones, B. Fields, J. Cirota, Flowergirl — R. Russo, S. Pratt, Queen — B. DeMasse, Crownbearer — M. Pratt, D. Hardy, D. Smith, B. Swift, J. Diamond, K. Prohira, C. Clark, T. Lessick, C. Gomez, T. Ricco and W. Cree.

SENIORS IN THE SPOTLIGHT

Senior Night is a time when the senior band members, cheerleaders and football players are recognized for their efforts, hard work and dedication to Carmichaels Area High School. Their parents join with them to congratulate their melodic and athletic accomplishments.

OUR HEARTS "SKIP" TO HELP OTHERS

Jump Rope for Heart is a special event coordinated through the efforts by Mrs. Barchesi and the American Heart Association. Students solicit pledges and volunteer to jump rope for the benefit of those who are less fortunate. The students not only enjoyed themselves but also raised a sizeable amount of money for the Heart Association.



DOWN ON THE FARM

On October 20, 1988, the Student Council sponsored a fun day. All students were asked to participate by dressing as farmers. As you can see everyone had a lot of fun "down on the farm."

(I bet that Bill Cree had a tough time deciding what he should wear!!!)

"HERE COMES SANTA CLAUS"

Each year a Winter Carnival is held in the gym where the Junior and Senior high student body participates in various games. Examples are the: whip cream sponge toss (bottom left, J. Henry), dart games, adopt and marry certificates, bake sales, Best Legs contest, bean bag toss, and a pool table game. Students can also have their picture taken with Santa Claus (top, Bill Havyer). This activity brought in a large amount of money which was donated to the Children's Hospital.

During this time a senior girl is chosen as Miss Merry Christmas and represents our school in the Waynesburg Christmas parade. This year's Miss Merry Christmas was Lisa Kirk. (lower right)

"GREAT TIME IN THE BIG CITY"

The stars were shining brightly on Bill Havyer and Tanya Adams as they were crowned King and Queen of the Cinderella Ball, sponsored by the Jr. Class. The theme chosen for the ball was "City Nights." The dance floor was surrounded by red and white lights and decorations. We danced the night away to the music of D. J. Mark I. Although the lights faded as the evening came to an end, our memories will last forever.

SET THE NIGHT TO MUSIC

This year's Junior-Senior Prom was held at the Nemacolin Country Club in Beallsville on April 22, 1989. The theme was "Set the Night to Music" by Starship and the band, "Colony," provided entertainment for the evening. Cheryl Abbott was chosen Prom Queen and Justin Bogucki King. Members of the court are: Todd Hillsman, Beth DeMasse, Jason Voithofer, Sarena Headley, Stacey Ruth, Shannon Pratt, Tiffany Keebaugh, Brent Lechner, Lisa Kirk, and Marty Elek.

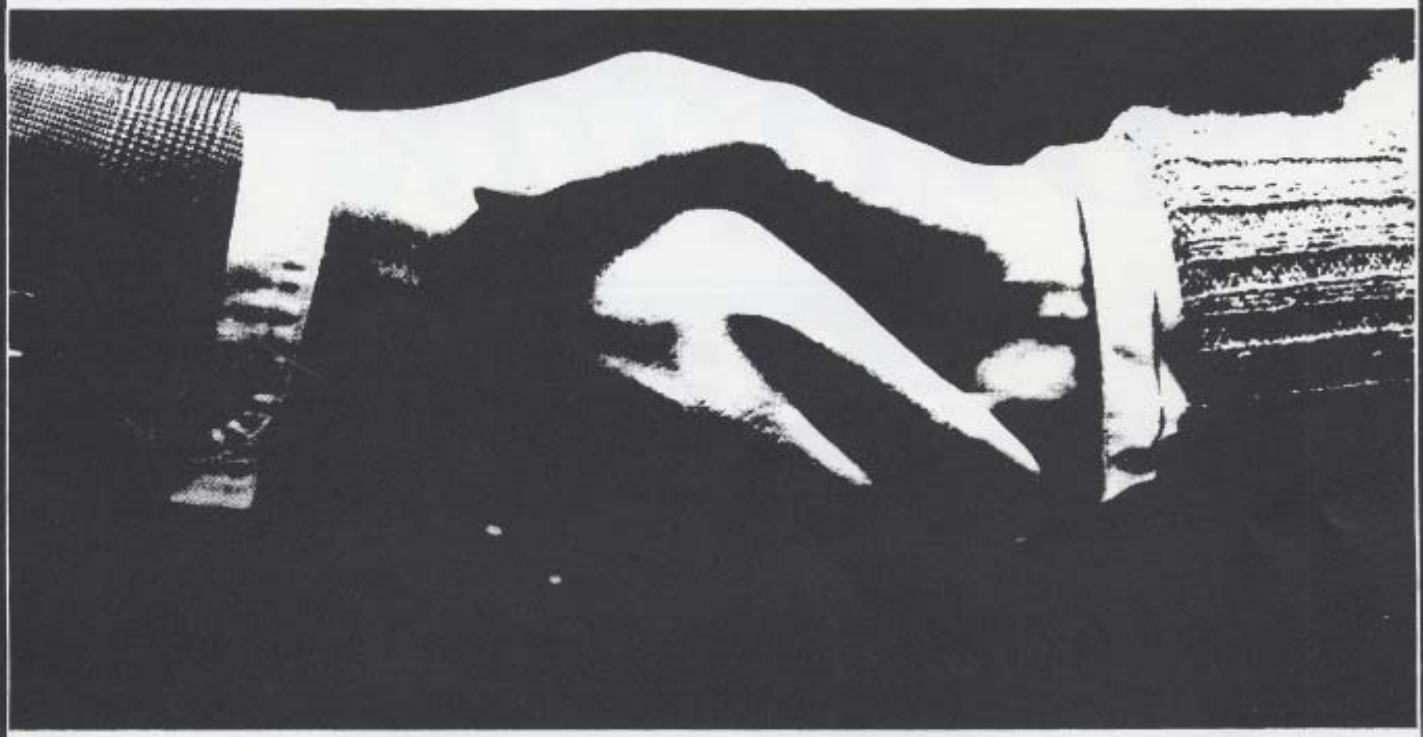
FROM ONE NEIGHBOR TO ANOTHER



Nearly 90 years ago, Community Bank was founded on a time-honored dedication to service. From generation to generation, we've served the residents of southwestern Pennsylvania as a neighborhood bank. A bank that takes the time to know our customers, not just their account numbers. A bank that cares about individual banking needs and offers a full line of services to make sure these needs are met.

In today's world of international financing and big-city banking, it's good to know that Community Bank still believes in the simple idea of "neighbor helping neighbor." That's a nice alternative to big-banking, it's Community banking . . . up-to-date financial services with an old-fashioned personal touch. In fact, we're much more than a bank, we're a friend. We're your Community Bank.
